

Lee Davis, Office Manager

Lee provides day to day office management, as well as financial management, in her role as Office Manager for the Ontario Co-operative Association. She directly handles all the financial matters of the co-operative, and brings a wealth of financial knowledge and experience to the role.

Lee is thrilled to return to the co-operative sector and the magic of the Co-operative Young Leaders Program (CYL) after a few years away. As previous Office Co-ordinator and Chair of the Gala Committee for OCA, Lee is quite familiar with, and proud to be a part of, the organization's various programs and events. Her administrative and organizational skills, along with her AGM and Annual Conference and Gala planning experience, will help support the entire staff team as they move forward in 2018 and beyond!

Lee and her husband live in the Guelph area. They are the proud parents of three and grandparents of one. She spends her spare time writing and quilting.
