

**LEARN TO LEAD
AND EXPERIENCE
THE CYL MAGIC**

BASE CAMP

The Co-operative Young Leaders Program (CYL) is hosting Base Camp — a weekend long retreat for youth, ages 12-13, that provides an introduction to co-operatives, credit unions and CYL.

Led by experienced CYL volunteers and educators in the co-operative sector, youth will experience a weekend dedicated to all things co-operative — including games, meals and activities. This overnight program, held at the **Co-operative Education Centre in Aylmer, Ontario** is set on 98-acres of fields and trails through beautiful Carolinian forest.

Base Camp believes in the value of our youth and works with them to be change makers in the co-operative sector! One part traditional camp experience and one part experiential education, this program takes youth out of the classroom environment and lets them lead.

A participant fee of **\$150 +HST** will cover weekend accommodations, food and craft/activity supplies. For payment, a cheque can accompany the participant on drop off day. Please make the cheque payable to the *Ontario Co-operative Association*.

Friday, July 5 to
Sunday, July 7, 2019
