

FOR CO-OPERATIVE BOARDS

Overview

Board training is an integral component of the Ontario Co-operative Association's education programming, reflecting our dedication to Co-operative Principle #5: Education, Training, and Information. This workshop equips directors of co-operatives with essential knowledge of the legal obligations, fiduciary duties and an understanding of the various roles and responsibilities within a co-operative. The workshop is interactive and educational.

WHY THIS SESSION IS IMPORTANT FOR CO-OPERATIVES

This session is designed to give co-operative boards the knowledge and skills necessary to effectively oversee the organization's operations and strategic direction. Board training is fundamental in empowering board members to fulfill their roles effectively; promoting sound governance practices, driving sustainable growth and ensuring long-term success.

WHAT OTHERS ARE SAYING

"OCA's board training is essential for new and existing board members. It covers a lot of ground and really gives a good overview of what it means to be a director of a co-op and their rules and responsibilities. Having our entire board on the same page and starting from the same point in their knowledge for co-operative governance was really helpful to make us a strong board of directors" - **Anonymous feedback from a session participant.**
