

PLEASE HELP SUPPORT THE 2020 CO-OPERATIVE QUEEN'S PARK EVENTS!

WHY?

Your support of our Queen's Park events helps us raise the profile of and improve the legislative environment for all Ontario co-operatives.

HOW?

- By bringing together co-operative leaders and stakeholders with MPPs and other key government officials;
- By showcasing the diversity, resilience and socio-economic impact of co-operatives in communities across the province;
- By advocating for improvements and changes to the regulatory and legislative frameworks that govern the province's co-operatives; and
- By building and strengthening relationships with our MPPs and key ministries.

WHAT?

The Breakfast Meetings (1 - 2 per year) and the annual spring Reception provide great value to both our membership and to the larger Ontario co-operative sector. They are organized in partnership with the Conseil de la coopération de l'Ontario. There is no cost for delegates to attend, and the events are funded solely by the generosity of our sponsoring organizations.
