For Directors, By Directors

He is also a graduate of the Credit Union Director Achievement (CUDA) Program and an Accredited Canadian Credit Union Director (ACCUD).

At present, Anthony is on a paternity leave. During this time he is enjoying spending time with his wife, Crystal, four year old son Franklin and infant daughter Grace. As a life-long learner, he is also using this time to continue his studies as a Doctoral Candidate in Geography and Environmental Studies at Wilfrid Laurier University. Anthony's research is focused on studying the geography of crime with a specific focus on preventing intimate partner violence.

As part of Anthony's Doctoral studies he regularly attends conferences, such as the Association for Nonprofit and Social Economy Research conference. If elected to the Directors Forum Executive Anthony will use these conferences as an opportunity to find sessions applicable to the Directors Forum. He will focus on finding speakers who provide jargon free clear presentations on topics of interest to Directors. The highest priority will be given to sessions providing practical ideas on how Board members can improve their Credit Unions strategies and governance processes.

Anthony was elected to the Directors' Forum Executive at the September 29, 2017 Annual General meeting and is eager to contribute his experience and passion to its mission.
