

Photo Release

As the Co-operative Young Leaders Program is THE youth leadership program for the entire co-operative sector in Ontario, we would like to share this experience and opportunity with the many young leaders that will come through CYL after you. In order to do this, we like to take and use pictures and videos from our CYL events to help tell the story of CYL and give a glimpse of what the program is about. Some of these photos and/or videos are used in promotion of CYL on our website, social media, newsletter and/or reports. These pictures and stories tell co-operatives across Ontario about the great experiences that CYL has to offer, and they help spread the word about the sector. Thank you for your help and co-operation in promoting CYL!

I hereby give permission for pictures and/or videos of myself or my child/dependent to be taken and potentially used for reporting and/or the promotion of the Co-operative Young Leaders program and/or Co-operatives and Credit Unions in Ontario. These pictures/videos may be in print or digital form.

LEAD, CULTIVATE AND CONNECT

Co-operatives are a *different* kind of business model that are driven by people, planet and profit. The Ontario Co-operative Association (OCA) supports, develops, educates and advocates for Ontario's 1,500+ co-operative businesses.
