Directors' Forum

For Directors, By Directors

What to Expect

A full day-and-a half conference including six plenary and two breakout sessions. All topics have been carefully selected to be timely and relevant to the needs of system directors and based on last year's delegate feedback.

A welcome cocktail reception on Thursday, October 3 and plenty of networking time during the scheduled breaks and meals. There will be no banquet this year, so delegates are encouraged to make their own dinner arrangements on both Thursday and Friday evenings.

Registration is open online from April 1 to September 25.

Be sure to register your directors before June 30th to take advantage of the Early Bird rate of \$750 + HST. Fees include all conference activities and meals, with the exception of dinner on Thursday and Friday evenings.

Program Highlights

- Leadership Continuity Risk in Credit Unions
- Board Membership Engagement
- Risk Management (with a focus on Director Liability and Audits)
- The Future of Ontario's Credit Unions
- Board & CEO Recruitment – a breakout session designed for Board Chairs and Vice-Chairs
- Director Development & Competencies - an alternate break-out session for all other delegates
- High Performing Board Barometers – a 3.5 hour session (valued at \$359 and included in the registration fee) with Cusource®, the professional development and education arm of the Canadian Credit Union Association. All participants will receive a half-day CE credit under CUDA.
- Directors' Forum Annual General Meeting
